Lori,

I don't have an 8:30 – 9:30 slot reserved in 10100 for ChemSAC. My calendar doesn't show anything....

Donna –

Thank you for releasing the room reservation for S-10100 on 9/16/15. However, you released the 9:30-10:30 time slot, but not the 8:30-9:30 time slot. The Glyphosate CARC meeting starts at 9:00. If you could please release that earlier room reservation, too, I'd appreciate it.

Thanks!

Have a great day!

Lori

Lori,

We were planning to meet and were doing a big training session in the room. Sounds like Jess is going to trump us. I will tell the co-chairs that we have been displaced. We may have to delay our training.

Donna and Nancy –

We are having a marathon CARC meeting on Glyphosate all day (9:00 am – 4:00 pm) on Wednesday, September 16. I see that you have room S-10100 reserved for part of that day. Are you still having meetings on that day and, if so, would it be possible for you to move your meetings to another meeting room on that day?

Thanks!

Have a great day!
